SCHOOL POLICY ON THE EDUCATION OF CHILDREN AND YOUNG PEOPLE IN CARE

INTRODUCTION

Morville CE Primary School believes that in partnership with Shropshire Council as Corporate Parents, we have a special duty to safeguard and promote the education of Children in Care (CIC). We recognise that, nationally, pupils in care have significantly underachieved compared with their peers. We intend, through this policy, to promote the inclusion, well-being and achievement of these children in our school.

AIM

To provide a safe and secure environment, where education is valued and there is a belief in the abilities and potential of all children.

To support our Children in Care and give them access to every opportunity to achieve to their potential and enjoy learning.

To fulfil our school's role as corporate parents to promote and support the education of Children in Care, by asking the question, 'Would this be good enough for my child?'

IN PURSUIT OF THIS POLICY WE WILL

- Nominate a Designated teacher for Children in Care who will act as their advocate and co-ordinate support for them.
- Nominate a school governor to ensure that the needs of Children in Care in the school are taken into account at a school management level and to support the Designated Teacher.
- Support the Designated teacher in carrying out their role by making time available and ensuring that they attend training on Children in Care.

ROLE AND RESPONSIBILITY OF THE DESIGNATED TEACHER

The Designated Teacher for Children in Care should be a senior member of staff with sufficient authority to influence school policy and practice. The named teacher in this school isSusan Blackburn.....

The Designated teacher will:

- Be an advocate for all children in this school who are in care.
- Ensure confidentiality for individual children and only share personal information on a need to know basis.
- Maintain an up to date record of all Children in Care who are on the school roll.
This will include:
 - Status i.e. care order or accommodated.

- Ensure a welcome and smooth induction for the child and their carer.
 - Liaise with the social worker to ensure that a Personal Education Plan (PEP) is completed as soon as possible (and within 20 school days of the pupil joining the school and/or being taken into care).
 - Ensure that the PEP for each child/young person includes appropriate targets. This must be compatible with the child's/young person's Care Plan and, where applicable, link with any other school plan, e.g. Statement of Special Educational Needs, and associated plans, Transition Plan, Pastoral Support Programme.
 - Ensure the child, carer(s), social worker and other relevant parties receive early notification of school based meetings, parents evenings and other events and that communication, both written and verbal, remains regular and positive.
 - Ensure that someone is available to attend CiC Reviews on each child/young person and/or always prepares a written report which promotes the continuity and stability of their education.
 - Ensure that each pupil in care has an identified member of staff they can talk to. This need not be the Designated Teacher, but should be based on the child's own wishes. **Members of staff who take on this role may need to be supported by someone from the school – pastoral staff: They should also be alert to any child protection issues, any disclosures that pupils may make, and know what action to take. They should link closely therefore with the school's Designated Teacher for Child Protection.**
 - Inform the responsible social worker when a child in care is absent from school without notification.
 - Inform the carer/Social Worker and the LA of any fixed or permanent exclusions.
 - Promote the involvement of children in care in school clubs and extra-curricular activities.

 - Ensure that systems are in place to identify and prioritise when Children in Care are underachieving and have early interventions to improve this in line

with existing school policy.

- Ensure that Children in Care, along with all children are listened to and have equal opportunity to pastoral support in school.
- Ensure that they keep the school up to date with current legislation and its implications for the school in respect of Children in Care.
- Report to the Governing Body annually on the performance of the Children in Care who are on the school roll (without naming individual children).
- Ensure that if/when the child transfers school all relevant information is forwarded to the receiving school as a matter of priority.
