Member of staff responsible: Sue Blackburn

Review Date: Spring 2017

Next Review: Spring 2019

The governing body is responsible for maintenance of this scheme.

1. Introduction: what a publication scheme is and why it has been developed

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

- *The classes of information which we publish or intend to publish;*
- *The manner in which the information will be published; and*
- *Whether the information is available free of charge or on payment.*

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is available in paper form.

Some information which we hold may not be made public, for example personal information.

This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.

2. Aims and Objectives

Our Christian school offers a unique rural setting that provides exceptional opportunities to promote individual learning. We nurture the development of our children's academic, physical, spiritual & emotional needs within a family and community environment.'

At Morville C. E. Primary School we aim to provide a caring, supportive and stimulating environment with high quality teaching through which to foster....

- A high level of literacy and numeracy and an enquiring mind which wants to learn more each day;
- Independent young people who are confident, flexible and able to cooperate with others;
- Imagination and creative expression through a wide range of media;
- Conscientious young citizens of our multi-cultural society who are tolerant and respect others' values;
- Pride in achievement and a desire to succeed;
- Effective links between the school, the child's home and the community which promote aspiration and high expectations;
- Equality of opportunity for all;

Our vision will be realised by:

- Creating a safe and healthy learning environment; so that every child will know that they are valued, will enjoy learning, aspire to and achieve high standards and make excellent progress.
- Providing innovative and creative cross curricular education opportunities for all learners and enabling their independence as learners.
- Developing a flexible approach to teaching and learning within school and in the community thereby ensuring a rich variety of educational experience.
- Promoting a proactive engagement between school and the wider community.

The implementation of this vision will be the foundation from which our children will become successful learners, confident individuals and responsible citizens of the future.
