

## English

- Phonics.
- Handwriting
- Look at a range of stories from familiar settings and with predictable language
- Create and write a post card
- Write recounts of news, trips, and stories read together in class (Katie Morag, Paddington Bear).

## Maths

- Build number sense, counting and place value skills
- Writing numbers in numerals and words
- Ordering and comparing numbers
- Number facts and number bonds to 10
- Addition and subtraction
- Recognise and describe the properties of shape.

## History

- Learn about the life of Captain James Cook and his expedition to the Southern Hemisphere on the HMS Endeavour
- Use Historical sources to find out what it was like for Charles Darwin, our own great naturalist and explorer, growing up in Shrewsbury and going on his famous voyage on HMS Beagle
- Learn about the importance of Remembrance Day.

## Design and Technology

- Design a card with moving levers and sliders

## Science

- Recognise and name animals and understand their habitats and life cycles
- Learn about the animals that Captain Cook may have seen on his travels and group them. Were they mammals, reptiles,

## Art

- Explore Aboriginal art and create our own aboriginal inspired dot art.
- Look at the work of Andy Goldsworthy and create own natural art.

## Computing

- Use and create simple programs such as Kodable and Daisy the Dinosaur
- Use ICT across the curriculum.

## Geography

- Study the weather and seasons locally and compare to climates in the countries that Captain James Cook explored
- Look at maps of the world and plot the places visited by Captain Cook, explore where the Isle of Struay is (Katie Morag) and plot Paddington Bears journey from Peru to London. How does Peru differ to the UK?

## Music

- Explore sounds in the natural world and the sounds we can make with our bodies
- Perform songs and play instruments.

## RE

- What do Christians believe God is like?
- Who made the world and how can we help to look after it?

## PE

- Games - develop movement, throwing and catching skills.

## Personal, Social and Health Education (PSHE)

- Class rules
- New beginnings
- Managing feelings
- Getting on with others
- Conflict resolution

## Outdoor Learning - Tuesday and Thursday (please bring clothes to change into).

- Explore the outside environment - senses, seasons, weather, habitats and natural art.

## Explorers!

Rainbow Class Autumn term  
2019-20
